

1 YEAR WARRANTY

AMSTEP Products hereby warrants that its Stair Tread products will not crack or delaminate from its aluminum base for a period of one (1) year.

It is intended that AMSTEP Stair Treads be installed properly to withstand the expected pedestrian traffic. Installation instructions are available on our website or can be provided upon your request. AMSTEP Stair Treads can be installed into concrete, wood or metal. AMSTEP Stair Treads are not intended for use as self-supporting treads.

This Warranty is not valid for failures resulting from:

- Improper Installation of the Tread
- Damage Caused by Vandalism or Such Similar Acts of Destruction
- Damage Caused by Other Than Normal Pedestrian Traffic
- Deterioration of the Substructure the Treads are Installed Upon

AMSTEP'S exclusive liability (including, but not limited to incidental or consequential damages) and the purchaser or owner's sole remedy hereunder, shall be limited to the repair of the defective product, replacement of the defective product or a refund of the purchase price of the defective product. Choice of remedy will be solely at Amstep's option. All remedies and liabilities exclude costs of installation or removal.

In the event of a claim under this Warranty, the owner shall demonstrate and document that the failure of the product was due to a breach of the warranty stated herein and must be made in writing within ten (10) days of its discovery. AMSTEP also reserves the right to investigate all complaints and review all relevant records regarding failure or breach of this Warranty. If failure is determined to be from sources other than the Amstep Stair as warranted herein, AMSTEP has no further obligation. AMSTEP makes no warranty, which extends beyond cracking and delaminating.
